Our client, located in a young, affluent and fast growing suburb of Denver, seeks a board certified/eligible general internist for an employed position within the region's largest integrated health system.

Located in suburban Denver, this is a great opportunity to live and work in a beautiful community offering a wide variety of housing options, close proximity to the Rocky Mountains, and only 30 minutes from downtown Denver.

Highlights of this opportunity include:

- Minimal Competition
- A supportive hospital partner
- Excellent payor mix
- Minimal hassles – short commute times and no outreach responsibilities
- Monday thru Friday hours
- Modern office facilities adjacent to the hospital
- Outpatient medicine supported by a hospitalist program.

Schedule/Compensation:

- Market appropriate salary and production bonus
- Malpractice coverage
- Benefits include family health/dental insurance, CME, malpractice insurance, paid vacation, 401K
- Relocation allowance and Sign on bonus
