ORTHOPEDIC SURGEON

COLORADO - METRO DENVER

THE POSITION

A group of ten orthopedic surgeons is seeking an orthopedic surgeon to join their practice located in a fast-growing community in suburban Denver, Colorado. This is a general orthopedic surgery position with trauma call. Fellowship training is required. New graduates will benefit from a supportive, mentoring environment.

This collegial group is well respected throughout the city because of the positive personalities of members and strong clinical outcomes. Current members perform general orthopedics, foot/ankle, hand/upper extremity, shoulder/knee, sports, spine and total joints.

The new physician will join a thriving medical community and will have input into a growing trauma program as well as have strong support for operating room times.

THE PRACTICE

PATIENT VOLUME:

- Average 40 patients in clinic per day; average of 20+ surgical cases per month with future growth opportunities in Castle Rock and other Denver locations

LOCATION:

- The practice is located in South Denver near I-25 and C-470.

COMPENSATION:

- Parker Adventist Hospital will offer a competitive income guarantee to assist the new surgeon in establishing his practice
- Full benefits, including health insurance, malpractice, paid time off and CME will be included in the package, and provided by the group
- Partnership will be offered after one year with a small buy-in
- Surgery Center investment opportunity as shares become available

THE FACILITIES

When its doors opened in 2004, Parker Adventist Hospital set its sights far beyond just being the new hospital in Parker. With a welcoming atmosphere, patient-centered care philosophy and a commitment to be an integral part of the community, Parker Adventist Hospital is a different kind of hospital.

Parker Adventist is a full-service hospital with a full spectrum of services all designed to serve the community's health care needs with a unique patient-centered care philosophy.

Services include:

- Emergency Department with Level III trauma designation
- Outpatient Imaging Services including MRI, CT, ultrasound, diagnostic x-ray and PET/CT
- A special pediatric wing offered in collaboration with The Children's Hospital, including emergency, specialty and inpatient care for kids
- Neurosurgery program providing diagnostic, consultative and therapeutic services for treatment of routine and complex disorders

QUALITY OF LIFE

DID YOU KNOW?

Colorado ranks:

- First in the nation in the percentage of residents who possess college and graduate school degrees
- Second in the nation in technology companies
- No. 2 according to Morgan Quitno Publishing Co.'s notable "Most Livable State Index" - 2001

THE COMMUNITY

The Town of Parker is located in Douglas County, Colorado. It's one of the top five fastest growing counties in the U.S. As a community, Parker residents have made great effort to grow smart. Citizens have maintained a much-valued quality of life and balanced that with strong economic growth. Situated at the southeast part of the Denver metropolitan area, Parker offers the culture and ambience of a small town just 20 minutes from the amenities of the big city.

EDUCATION

Parker is served by Douglas County School District (DCSD), the third largest school district in Colorado. The district is large enough to offer a wide variety of educational opportunities, yet small enough to meet students' individual needs in a caring and personalized environment. DCSD is comprised of 21 elementary schools, seven middle schools, three high schools, and six private schools.

Nearby Colleges and Universities include Arapahoe Community College, Community College of Aurora, Emily Griffith Opportunity School, Regis University, Red Rocks Community College, Metropolitan State College of Denver, and University of Colorado at Denver

ECONOMY

As the Denver metro area grew, the Parker hills attracted developers, planners and new residents that wanted a country lifestyle with modern amenities. Over the past twenty years, Parker has transformed from the rural equestrian capital of Colorado to an exciting small town with beautiful open space and well-planned residential and commercial developments. Quick access to E-470, Interstate 25 and the Denver Technological Center has been a major attraction for Parker residents.

Urban conveniences, open space, business opportunities and a family-oriented country lifestyle combine to make Parker an exceptional place to live and work. While traveling along the legendary Parker Hills and Cherry Creek Valley, you will feast your eyes on a panoramic view of the Rocky Mountains, from Pike's Peak to Long's Peak.

Neighborhoods, Cherry Creek and a quaint downtown are connected with attractive walking and biking trails. Equestrian facilities still abound. Blue-ribbon schools, an extensive Parks and Recreation program, a nationally-recognized family recreation center, year-round Arts Commission activities and eight area golf courses add to the quality lifestyle.

Parker is known for and proud of its wonderful pedestrian trail system, horse trails, expansive open spaces and parks. Getting outdoors isn't difficult — it's making a decision about how you'll spend your time outdoors that's more difficult.

Shoppers delight at the variety provided at centers like Crown Point, Stroh Ranch, Prime Factory Outlets and Park Meadows. Residents have tremendous housing options, including award-winning covenant-controlled home and town home developments, neo-traditional homes, multi-acreage home sites and exclusive golf course communities. Parker is a community that adds special meaning to "great family living."

CULTURE AND RECREATION

The Denver metro and surrounding areas offer residents an array of recreational, entertainment and cultural venues.

- **South Platte Park**— 668 beautiful acres make this suburban park one of the largest of its kind in the U.S.
- **Littleton Historical Museum**, located on 14 acres adjacent to Ketring Lake, features two history farms, including a working 1900's blacksmith shop, an ice house, and Littleton's first one-room school house.
- **Hudson Gardens** is a premier outdoor regional botanical garden located along the scenic banks of the South Platte River.
- **Denver Performing Arts Complex** is the second largest performing arts center in the nation in seating capacity and the largest in the world under one roof. The four-square block center features Boettcher Concert Hall, the nation's first symphony hall in-the-round, The Denver Center Theater Company which won a Tony Award in 1998 for best regional theatre company, the Temple Buell Theater, a new 2,800-seat Broadway theater that opened in 1991.
- There are over **90 golf courses** in the area, and more than **143 free tennis courts**. Within an hour and a half drive from Denver, there are opportunities for **skiing, white water rafting, fishing, biking, hiking, camping** and **horseback riding**.
- Denver has a full compliment of professional sports teams **including the National Football League's 1998 Super Bowl Champion Denver Broncos, the National Basketball Association's Denver Nuggets, Major League Baseball's Colorado Rockies, and the National Hockey League's Colorado Avalanche**. Other spectator sports **include the world's largest rodeo held each year at the National Western Stock Show** in January and pari-mutuel dog and horse racing.
- **Central City** and **Black Hawk**, two historic mining towns from the 1870's, have come alive with casino gambling. Only 34 miles west of Denver, the two towns offer over 30 casinos with nearly 9,000 slot machines, blackjack tables and poker games. Offering some of the best-preserved Victorian architecture in the West as well as the Teller House Hotel where President Grant once stayed and the Central City Opera House. There are mine tours, mining museums and several places that offer gold panning in a stream where a half billion dollars was found.
- **Georgetown**, 42 miles west of Denver, is a delightful Victorian village with 200 restored buildings from the 1870's. The main street host quaint shops, restaurants and antique stores. The Georgetown Loop Railroad operates in the summer months.
- **Mount Evans** has the highest paved auto road in North America snaking its way to the 14,260-foot summit. The free road is open only from June through Labor Day and is frequently snow-capped, even in August. The summit is 60 miles from downtown Denver.
- **Pikes Peak Country** is located 66 miles south of Parker and features more than 40 attractions including the Air Force Academy, the famous Broadmoor Resort with its lake and three golf courses, the Pro Rodeo Hall of Fame, and Garden of the Gods, which features gigantic 500-foot red sandstone rock monuments at the base of Pikes Peak.
- **Rocky Mountain National Park**, located 79 miles northwest of Parker, features 400 square miles of scenic beauty, including Trail Ridge Road, the highest continuous highway in the world crossing the Continental Divide. The park has miles of hiking trails, tranquil lakes, waterfalls, wildlife and horseback riding.
