## About Activate Healthcare

Activate Healthcare is transforming the delivery of healthcare by partnering with employers to open high quality clinics at or near workplaces. These clinics offer a fresh and important new perspective on how to improve the health of employees and their dependents.

Activate Healthcare offers a unique solution to employers to reduce and manage their healthcare costs by acting as their Health Asset Manager. Through a process of Assess => Deliver => Engage => Align, Activate Healthcare influences employee behavior in the areas of wellness, prevention, chronic disease management, and behavior modification.

Activate Healthcare provides leading edge tools, including: health risk assessments, remote monitoring software for high risk patients, a 24-hour nurse hotline, an electronic medical record, claims analysis, and a unique rewards program to incentivize employee behavior.

## What Others Say About Activate

As far as I'm concerned, Activate Healthcare is a win-win-win situation for doctors, patients and the companies served. As a doctor, I get to spend more time with my patients, employees receive excellent quality care and unbiased, informed referrals, and the companies save significantly on their health care costs. Most important, I get to do what I trained to do — the real reason I went into medicine — to treat patients to the best of my ability. It gives me a strong sense of satisfaction and well-being knowing I'm doing an excellent job and everyone is happy.

## Culture and Recreation

### Reno, Nevada

With a population of over 235,000, Reno is the largest city in Northern Nevada. Reno is located in the southern part of Washoe County, nestled on the eastern slope of the Sierra Nevada Mountains in an area called the Truckee Meadows.

Reno and the surrounding area provide the perfect blend of character, charm, art and entertainment. From the magnificent Truckee River which intertwines through the entire city, to the beautiful mountains that surround the crystal blue Lake Tahoe, you won't fail to find something to love about this region. Take advantage of one of the 18 world class ski resorts or play a little golf at any of the 30 gorgeous golf courses that call Northern Nevada home. Biking, camping, hunting, fishing and mountain climbing are all activities Reno residents enjoy.

The downtown Riverwalk District is located on the Truckee River in the heart of Reno. Featuring award winning restaurants, unique shopping and local art, the Riverwalk District is the perfect place to take a leisurely stroll. The small town feel of Reno may surprise you. You may marvel at the brick architecture of some of Reno's downtown buildings, the frontier independence, the contrast of the Truckee Rivers tranquility against the neon lights or maybe just bundling up to watch the next university football game. Reno/Sparks is a great place to live, work and raise a family.

At 4500 feet altitude, the Reno area offers four distinct seasons with few extremes. Average temperatures range from winter lows in the 20's to summer highs in the 90's. Low humidity characterizes the area, making the cool days seem not so cold and, and the warm days not so hot. Rain is scarce (fewer than eight inches on average annually), as are cloudy days.

Snow, however, is certain (23.5 inches on average per year), though it tends to melt by late afternoon in the valleys. Here, the sun shines more than 300 days a year providing warm days, cool nights and blue skies.
